2. Days 2-5:

- Tier 1 Preparation for GPS (25-30 hours)
- STAR practice (record yourself answering questions)
- Master your gap answer (MEP knowledge)

3. Day 6:

- Final STAR practice (4-5 hours)
- Review opening statement
- Prepare probing questions

4. Day 7:

- Final review (2-3 hours)
- Sleep well
- Interview day

Total Prep: 50-55 hours

If You Have 2 Weeks Until Interview

Focus: Global Project Standards (Role 1) + Network Engineering (Role 2)

1. Week 1:

- Review all organizing documents (2-3 hours)
- Deep dive on GPS full analysis (2-3 hours)
- Tier 1 Preparation for GPS (25-30 hours)

2. Week 2:

- Tier 2 Preparation for GPS (20 hours)
- Tier 1 Preparation for Network (20-25 hours)
- STAR practice for both (12-15 hours)
- Interview day

Total Prep: 110-115 hours (6-7 hours/day)

If You Have 3 Weeks Until Interview

Focus: Global Project Standards + Network Engineering + Field Engineering

1. Week 1:

- All organizing documents (2-3 hours)
- Full GPS analysis (2-3 hours)
- GPS Tier 1 Preparation (25-30 hours)

2. Week 2:

- GPS Tier 2 Preparation (20 hours)

→ **Comparison Matrix - Decision Guide section**

"I have 30 minutes to understand all 4 roles"

→ **Quick Reference guides (1-page summary per role)**

"I need to prepare for an interview next week"

→ **GPS full analysis + Interview Questions Library**

"I want to compare all 4 roles side-by-side"

→ **Comparison Matrix**

"I want to practice STAR answers"

→ **Interview Questions Library**

"I'm ready to deep-dive on one role"

→ **Full role analysis for that role**

"I want EVERYTHING in context"

→ **Master Dashboard + all other documents**

YOUR ROLE RANKINGS

Rank	Role	Fit %	When to Pursue
#1	Global Project Standards	80-87%	ALWAYS pursue
#2	Network Engineering	73-80%	If you have 2+ weeks

Rank	Role	Fit %	When to Pursue
#3	Field Engineering	69-75%	If you have 3+ weeks
#4	JWO Impl Manager	65-72%	Backup if others fall through

RECOMMENDED PREPARATION STRATEGY

IF YOU HAVE LIMITED TIME (1-2 Weeks)

Focus on: Global Project Standards ONLY

- Highest fit (80-87%)
- Smallest gap (15-20 hours to learn DCCD context)
- 50-55 hours total prep
- Doable in 1-2 weeks at 5-6 hours/day

IF YOU HAVE MODERATE TIME (2-3 Weeks)

Focus on: Global Project Standards + Network Engineering

- Combined fit: 73-87%
- Two strong options to interview for
- 110-115 hours total prep
- Doable in 2 weeks at 6-7 hours/day OR 3 weeks at 4-5 hours/day
- **RECOMMENDED APPROACH**

IF YOU HAVE PLENTY OF TIME (3-4+ Weeks)

Focus on: Global + Network + Field (+ JWO if time allows)

- Three strong options (69-87%)
- Multiple interview opportunities
- 165-220 hours total prep
- Requires discipline and sustained focus

HOW TO NAVIGATE THE DOCUMENTS

Master Dashboard (00)

- **Purpose:** Central navigation hub
- **How to use:** Open first, understand rankings, choose strategy
- **Time:** 10-15 minutes

Quick Reference (01)

- **Purpose:** 1-page summaries per role
- **How to use:** Quick overview before deep-diving into full analysis
- **Time:** 15-30 minutes total (5-10 minutes per role)

Comparison Matrix (02)

- **Purpose:** See all 4 roles side-by-side
- **How to use:** Make strategic decisions about which roles to pursue
- **Time:** 20-30 minutes

Interview Questions (03)

- **Purpose:** Practice STAR answers for every role
- **How to use:** Record yourself, listen for clarity and length (90-120 seconds)
- **Time:** 2-3 hours to practice all 40 questions

Full Role Analyses (04-07)

- **Purpose:** Deep, comprehensive analysis for interview preparation
- **How to use:** Read fully for role you're prioritizing, skim for others
- **Time:** 2-3 hours per role to read fully

BEFORE YOUR INTERVIEW

Preparation Checklist

For Priority Role (e.g., GPS):

- ☐ Read full analysis

- ☐ Complete Tier 1 preparation (25-30 hours)
- ☐ Complete Tier 2 preparation (20 hours)
- ☐ Practice all 10 STAR questions (8 hours)
- ☐ Record yourself answering questions
- ☐ Refine gap answer (MEP/network/retail context)
- ☐ Prepare opening statement
- ☐ Prepare probing questions for hiring manager

For Secondary Role (e.g., Network):

- ☐ Read quick reference (10 minutes)
- ☐ Read full analysis (2-3 hours)
- ☐ Complete Tier 1 preparation (20-25 hours)
- ☐ Practice top 5-7 STAR questions (4-5 hours)

For Tertiary Roles:

- ☐ Read quick reference (10 minutes per role)
 - ☐ Basic context learning (5-10 hours per role)
-

YOUR SUCCESS METRICS

You're ready for an interview when:

1. ☒ You can answer any of the 10 STAR questions in 90-120 seconds (no notes)
 2. ☒ You can explain your gap (MEP/network/retail context) confidently in 60 seconds
 3. ☒ You can deliver your opening statement smoothly and naturally
 4. ☒ You can ask 3-4 probing questions about the role that show deep understanding
 5. ☒ You can cite 3-4 specific stories from your resume that prove your capabilities
-

QUICK REFERENCE BY QUESTION

"Which role should I focus on?" → Global Project Standards (80-87% fit, smallest gap)

"How much time do I have?" → 1 week = GPS only | 2 weeks = GPS + Network | 3 weeks = GPS + Network + Field

"Which document should I read first?" → Master Dashboard (30 minutes overview)

"How do I practice STAR answers?" → Interview Questions Library - read answers, record yourself answering, listen for clarity

"What's my biggest advantage?" → Program management fundamentals (8+ years, proven across multiple complex programs)

"What's my biggest vulnerability?" → Domain expertise gaps (infrastructure, networking, construction, or retail) - BUT these are learnable

GET STARTED NOW

1. Open **00_MASTER_DASHBOARD_Jobs_Analysis.md**
2. Spend 30 minutes understanding your ranking and strategy
3. Decide which role(s) to pursue
4. Read the full analysis for your priority role
